Goods delivered and rejected in whole or in part may, at the HSC's option, be returned to the vendor or held for disposition at vendor's expense. Latent defects may result in revocation of acceptance.

### 6. AWARD OF CONTRACT

A response to an informal request for bids is an offer to contract based upon the terms, conditions and specifications contained herein. Bids do not become contracts until they are accepted through a HSC purchase order. The contract shall be governed, construed and interpreted under the laws of the State of Texas as the same may be amended from time to time. Any legal actions must be filed in Brazos County, Texas.

### 7. PAYMENT

Vendor shall submit one (1) copy of an itemized invoice showing HSC purchase order number. HSC will incur no penalty for late payment if made in 30 or fewer days from receipt of goods or services and an uncontested invoice.

Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract it awards.

### 11. BUSINESS OWNERSHIP

### 12. NOTE TO BIDDER

Any terms and conditions attached to a bid will not be considered unless specifically referred to on the bid form. **WARNING:** Such terms and conditions may result in disqualification of the bid (e.g. bids with the laws of a State other than Texas, requirements for prepayment, limitation on remedies, etc.).

### 13. ALTERNATIVE DISPUTE RESOLUTION

The dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used, as further described herein, by A&M Health Science Center and the Contractor to attempt to resolve any claim for breach of contract made by the contractor.

(a) A contractor's claim for breach of this contract that the parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Texas Government Code. To initiate the process, the contractor shall submit written notice, as required by subchapter B, to Barry Nelson Ph. D., Vice President for Finance and Administration. Said notice shall specifically state the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall be given to all other representatives of A&M Health Science Center and the contractor otherwise entitled to notice under the parties' contract. Compliance by the contractor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, Texas Government Code.

(b) The contested case process provided in Chapter 2260, subchapter C, of the Texas Government Code is the contractor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by A&M Health Science Center, if the parties are unable to resolve their disputes under subparagraph (A) of this paragraph.

(c) Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by A&M Health Science Center nor any other conduct of any representative of A&M Health Science Center relating to the contract shall be considered a waiver of sovereign immunity to suit.

(1) The submission, processing, and resolution of the contractor's claim is governed by the published rules adopted by the Office of the Attorney General of the State of Texas pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found under Title 1, Part 3, Chapter 68 of the Texas Government Code.

(2) Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the contractor, in whole or in part.

(3) The designated individual responsible on behalf of A&M Health Science Center for examining any claim or counterclaim and conducting any negotiations related thereto as required under Section 2260.052, Subtitle F, Title 10 of Texas Government Code shall be Barry Nelson, Ph. D., Vice President for Finance and Administration (979) 436-9200.
