The Texas A&M University System Health Science Center

Sole Source and/or Proprietary Justification

Requisition No. R700082

Date: 3/01/2017

This form is to be used to aid departmental staff in relating information necessary in the process of requisitions on a sole source and/or proprietary basis. Your cooperation in answering the questions listed below will assist the purchaser in handling your order expeditiously. Please complete the form and forward to HUB and Procurement Services. If more space is required, feel free to attach additional pages. **NOTE: For your convenience, this is a fill-in form. Adobe Reader required.**

1. Description of item (if commodity: make, model no., etc.; if service: detail of type of service):

Amendment to current software license with Nuance to add eCQM (Electronic Clinical Quality Measures). This adds a new capability to the current license and for RCHI and the hospitals currently using the data collection tool. There will also be training and implementation assistance provided as part of the license.

2. Name of known source for item:

Nuance Communications, Inc.

PUBLISHER

Manufacturer? ☒ Yes ☐ No

3. What feature or functions are unique (proprietary) to this item?

Nuance has tailored the tool to meet RCHI's particular needs.

4. Briefly explain how the unique features or functions are essential to the purpose for which the item is needed.

Nuance's products is the only one that allows for submission directly to THCIC as required by state and federal laws.

5. List any source other than the known source that manufactures or supplies similar items or items with similar functions.

Truven

6. Why are the other sources not satisfactory?

Truven's product does not enable THCIC submissions.

7. Will the item be used with existing equipment?

If yes, -as a repair/replacement part?

-as component to be interfaced?

-as an accessory?

-to match existing equipment?

-for reason of interchangeability?

☒ Yes

☐ Yes

☒ Yes

☐ Yes

☒ Yes

☒ Yes

☐ No

☒ No

☐ No

☒ No

☐ No

☐ No

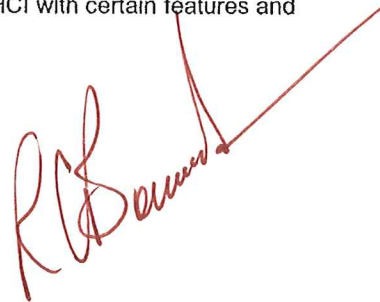

List make and model of existing equipment.

RCHI's computers and existing servers and facilities' current computers and servers.

8. Include any additional information that may aid the purchaser in processing this requisition.

RCHI has been contracting with Nuance (formerly QuadraMed) since 2009 for Clintegrity software license and Nuance has made this new capability available to RCHI. Nuance has worked collaboratively with RCHI over the years to provide RCHI with certain features and preferred pricing to ensure continued use of their product.

REF. CONTRACT
17-4166899

I certify that, to the best of my knowledge, the above information is true and accurate and that no other material fact or consideration offered or given has influenced this recommendation for a sole source/proprietary purchase.

**AMENDMENT TO
ORDER FORM FOR CLINTEGRITY 360 | QUALITY MEASURES
AND ORDER FORM FOR CLINTEGRITY | PERFORMANCE ANALYTICS
BETWEEN THE TEXAS A&M UNIVERSITY SYSTEM HEALTH SCIENCE
CENTER ON BEHALF OF RURAL & COMMUNITY HEALTH INSTITUTE
AND NUANCE COMMUNICATIONS, INC.**

This amendment ("Amendment") is by and between The Texas A&M University System Health Science Center on behalf of Rural & Community Health Institute, located at 2700 Earl Rudder Freeway S., Suite 3000, College Station, TX 77845 ("Licensee"), and Nuance Communications, Inc., (successor in interest to QuadraMed Quantim Corporation) with its principal place of business located at One Wayside Road, Burlington, MA 01803 ("Nuance").

WHEREAS, Licensee and Nuance are parties ("Parties") to a Software License and Services Agreement dated April 30, 2009, as amended ("Agreement"), and an Order Form for Clintegrity 360 | Quality Measures and Clintegrity | Performance Analytics dated September 8, 2014 ("Order Form") under the Agreement, which are incorporated herein by reference:

WHEREAS, the Parties desire to amend the Order Form to add terms and conditions for the eCQM Module;

NOW THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the sufficiency and receipt of which are hereby severally acknowledged, the Parties agree as follows:

1. Definitions section is hereby amended to add the following material at the end thereof:

"Licensee Facility" means the facilities listed on the applicable Order as being supported under the applicable Order. Each Licensee Facility must correspond to a unique Medicare facility ID number.

"Live Date" means the date indicated in the implementation plan provided by Nuance to Customer ("Work Plan") which identifies the date on which the Software is capable of use in Customer's daily operations utilizing actual patient/hospital data. Upon the Live Date delivery shall be complete and Customer shall be transferred to support.

"Order Effective Date" means the date of last signature on the applicable Order.

2. Section III, Services to be Provided, is hereby amended to add the following material at the end thereof:

6. Clintegrity electronic Clinical Quality Measures (eCQM).

a. Overview.

Electronic Clinical Quality Measures (eCQM) includes a data collection, reporting and transmission system accessible through the use of the Quality Measures website. Nuance will store Licensee's data in a secure database within a secure facility. Connection to that data and transport of that data will be secure and Nuance will make every reasonable effort to comply with relevant Health Insurance Portability and Accountability Act ("HIPAA") regulations as amended from time to time. Nuance is committed to maintaining its position as accepted verified vendor for the Joint Commission Core Measures project and CMS, however, should the Joint Commission make material changes to the project as Nuance understands it as of the commencement of this Schedule or applicable Order, and Nuance is unable to maintain its status as a vendor as a direct result of these changes, Nuance's liability shall be limited to supplying the Licensee's data obtained to date to an alternate vendor (as selected by the Licensee) and to provide to Licensee a credit invoice for the unused portion of the Product fees on a prorated monthly basis which will be credited to their account.

b. eCQM Compliance

Nuance has certification on a number of eCQM measures from which facilities can select to meet their mandated CMS reporting. The specific eCQM measures which are available as determined by CMS, and the specific measures which are supported by Nuance, which for each reporting year will be a subset of the foregoing, will each change from time to time. The names of these Nuance-supported measures and their concomitant requirements will be made available to Nuance customers by Nuance as CMS changes and updates specifications and requirements.

For each reporting Year, after Nuance communicates to Licensee the list of Nuance-supported measures for that reporting year, Customer will provide back to Nuance, via an election form or similar document supplied by Nuance, its selection of the desired eCQMs for that reporting year.

c. Further Information Regarding eCQM.

Additional mandated disclosures are set forth at the following link and are incorporated by reference:

http://www.nuance.com/ucmprod/groups/healthcare/@web-enus/documents/collateral/nc_044012.pdf

d. Further Information Regarding Scope of Deliverables as of execution of this Order Form (subject to change as CMS requirements change):

(1) Scope includes the following products, services and requirements:

- Each Licensee Facility will be required to submit a minimum number of the available eCQMs of their choice (such minimum number as specified each year by CMS and/or the Joint Commission as applicable). Each Licensee Facility is required to submit the of electronic clinical quality measure data with a frequency and timing as determined by CMS and/or Joint Commission as applicable. Annually each Licensee Facility will be required to declare to Nuance the Nuance-supported measures that they elect to submit. The number selected must meet or exceed the minimum number of measure sets mandated by CMS and/or the Joint Commission as applicable for the applicable reporting year.
- Each Licensee Facility must submit a valid QRDA 1 format at least thirty (30) days prior to the QNET transmission deadline.
- Each Licensee Facility must provide this QRDA 1 file to Nuance. All files must successfully pass Nuance's standard file validation process. In the event work is needed to correct formatting errors this would require an additional Statement of Work and fee which will be scoped and presented by Nuance in good faith using Nuance's then current usual and customary rates based on estimated level of effort.
- In the event that a Licensee Facility changes EHR vendors after file validation has been completed, the files from the new EHR must also be validated. This would similarly require an additional Statement of Work and fee.

(2) To assist with meeting the requirements for eCQMs submission, Nuance will:

- Perform data integrity and validation checks on files;
- Submit QRDA I files to CMS and the Joint Commission;
- Submit ePAS files to the Joint Commission;
- Calculate measure outcomes for Licensee Facility review;
- Monitor progress and keep you informed through our Notification Services; and
- Provide updates regarding specification changes in the eCQMs.

II. Special Terms

Failure to Comply.

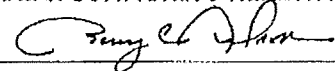

Licensee must submit data, for any of the modules or services listed in any of the Exhibits incorporated

herein, according to Nuance specified layout. If Licensee fails to submit data within forty-five (45) days after the closing of the quarter to be studied (or sooner if CMS or Joint Commission requirements so dictate), or according to the Nuance specified layout, and the deadline for submission to CMS or the Joint Commission is missed, Licensee assumes all responsibility and liability for any penalties levied by CMS or the Joint Commission.

3. Except as expressly changed herein, all other terms and provisions of the Order Form shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the last date and year indicated below ("Effective Date").

Debarred Vendor List

The following vendors shown below are debarred from doing business with the State of Texas, effective from the date of debarment for the length of time indicated. Whether they are listed below or not, the debarred vendors include the vendors' successors in interest as defined in Rule §20.102(b) (4).

Vendor ID Number	Vendor Name/Address	Date of Debarment	Length of Debarment
1562456928900	Smith Housewares and Restaurant Supplies 500 Erie Blvd. Syracuse, NY 13202	November 12, 2014	5 Years
1743261315000	Walker's Electric Company 1520 Park St Beaumont TX 77701 Also: Walkers Electric Company Calvin G. Walker Stacy Walker	August 28, 2012	5 Years
1272447273800	Walker Electric Company, LLC 1520 Park St. Beaumont TX 77701-5527 Also: Walkers Electric Company Calvin G. Walker Stacy Walker	August 28, 2012	5 Years
1760677671800	Texas Code Blue 5550 Eastex Fwy, Suite # L Beaumont, TX 77708-5300	October 24, 2016	5 Years

Download Debarred Vendor List [comptroller.texas.gov/purchasing/docs/debarred-vendor-list.pdf].

Federal Exclusion

Agencies and co-op members may wish to check the list of vendors excluded from doing business on the federal level. The System for Award Management, or SAM, can be used as a resource for purchasing entities.

According to Statewide Procurement Division rules, other debarment activities from other entities may be considered as possible indicators of vendor responsibility.

Vendor Information on Payments

The Search State Payments Issued application provides vendors with payment details.

They can also sign up in the application for Advance Payment Notification.

Texas Government Code §2155.077

Texas Administrative Code: 34 TAC §20.101, §20.102, §20.105, §20.106 and §20.107.
