TAX EXEMPTION

As an agency of the State of Texas, Texas A&M University is exempt from the state sales tax and Federal Excise Taxes. The certification of the exemption appears on the face of each purchase order. The certification reads as follows:

STATE SALES TAX EXEMPTION CERTIFICATE: The Undersigned claims an exemption from taxes under Chapter 20, Title 122A, Revised Civil Statutes of Texas, for purchase of tangible personal property described in this numbered order, purchased from contractor and/or shipper listed above, as this property is being secured for the exclusive use of the State of Texas.

Since the University is exempt, it does not have a sales tax registration number. A duly signed purchase order from Texas A&M University or a copy of the order will serve as a certificate of tax exemption.
