Q&A Board

Subject = Color (GL Seaman of Houston DBA Debner + Company)		Private Thread
Q: If we can get black and white powder-coated tables and chairs here by the 17th will those be considered, or have you decided 100% silver only? Do the chairs 100% have to be metal? See attachment for some more options. We think the West Coast Industries chair is a good option but it does have some wood wenge instead of being all metal.	Question added by: Julia Harris	8/5/2020 3:57 PM CDT
Outdoor Furniture Spec Sheets.pdf - ../Attachments/QABoardAttachments/Outdoor Furniture Spec Sheets.pdf		
A: Hello, I would encourage you to respond with pricing on these, as long as they are durable and suitable for long-term outdoor use.	Answered by: Cherise Toler	8/5/2020 5:14 PM CDT
Q: Good Morning! See attached for more options including pricing and lead time. The Knoll is priced on OMNIA Texas contract and the Emeco can be priced on the E&I contract. Although the Global is not metal, it is an all-weather chair and the pricing is a great option to get the seating here NOW. Global is also priced on E&I. Looking forward to hearing back from you-- I will submit whichever pricing you prefer. West Coast Industries can get the most tables here ASAP but it is still only 300 of the 580.	Question added by: Julia Harris	8/6/2020 10:54 AM CDT
Outdoor Furniture Spec Sheets 8.6.pdf - ../Attachments/QABoardAttachments/Outdoor Furniture Spec Sheets		
A: West coast might be best bet. Are there matching chairs?	Answered by: Cherise Toler	8/6/2020 12:33 PM CDT
Q: See attachment for the options provided and number of chairs in stock now from West Coast. Personally I love the Breeze chair but it does not come armless, so I was trying to fit that specification with the side chair. It is less expensive than the side chair with wenge wood backing and seat. The Picnic chair is also nice but more expensive than the first WCI chair proposed. https://westcoastindustries.com/product/breeze/	Question added by: Julia Harris	8/6/2020 12:39 PM CDT
Texas A&M Chair Options - Chair options.pdf - ../Attachments/QABoardAttachments/Texas A&M Chair Options - Chair options.pdf		
A: The end users are pretty firm on the silver color and desire a powder coat finish - so I would recommend bidding products that meet those specs, however, we also want to have options. Bidders are encouraged to submit multiple options with their bid response. This can be done by attaching documents in the "Supplier Attachments" section of the bid.	Answered by: Cherise Toler	8/6/2020 12:48 PM CDT
Subject = Shipping (GL Seaman of Houston DBA Debner + Company)		Private Thread
Q: 4. Can we have product shipped directly to campus and offload on the street then take wherever it needs to be installed?	Question added by: Julia Harris	8/5/2020 1:35 PM CDT
A: See answer to question #3	Answered by: Cherise Toler	8/5/2020 2:48 PM CDT
Subject = Placement of Furniture (GL Seaman of Houston DBA Debner + Company)		Private Thread
Q: Will the tables and chairs be outside 24/7 and can you please provide a campus map of where these tables and chairs will be installed and spread out for installation pricing?	Question added by: Julia Harris	8/5/2020 1:35 PM CDT
A: End users are now requesting vendor to quote delivery only to this address: Telecommunications-Receiving Warehouse 1501 Texas Ave. South College Station, TX 77840-1174 TAMU will handle the distribution throughout campus. Tables and chairs will be outdoors 24/7	Answered by: Cherise Toler	8/5/2020 2:46 PM CDT
Q: Do we need to provide a team to unload the truck at Texas A&M?	Question added by: Julia Harris	8/6/2020 9:30 AM CDT
A: The truck will need to be unloaded, yes	Answered by: Cherise Toler	8/6/2020 10:07 AM CDT

Subject = Multiple Manufacturers (GL Seaman of Houston DBA Debner + Company)**Private Thread**

Q: 1. Will different manufacturers be accepted, should we be able to get substantial amounts of seating or tables here in the fastest amount of time?

Question added by: Julia Harris

8/5/2020 1:34 PM CDT

A: TAMU prefers one manufacturer/model for consistency and aesthetics. May consider up to two types of tables/chairs.
