- Access to **Ward's Science** (<https://www.eandi.org/contracts/wards-science/>) and **Sargent Welch** (<https://www.eandi.org/contracts/sargent-welch/>) Science Education and Healthcare specific lists

Supplier Inclusion

Avantor, through their **Supplier Diversity Program** (https://us.vwr.com/cms/about_vwr_supplier_diversity) efforts, offers a multi-facet, multiple solution approach to supplier diversity, while connecting small and diverse businesses to their customers to not only meet but exceed supplier diversity and small businesses engagement goals and objectives. Avantor realizes reaching multiple goals in multiple locations throughout the E&I Cooperative's footprint – spend, reporting, trade association engagement, innovation, economic impact, and others – can be challenging. That is why supplier diversity is a solution that matters to Avantor and is incorporated into their corporate policy. Many of Avantor customer's supplier diversity goals are attached/aligned to performance metrics, grants, legislative and external stakeholder's pressures, shareholder value, expectations, students, and demands. Avantor's solutions are confidential and proprietary and can be shaped individually to achieve multiple goals. Contact the Avantor Supplier Diversity team to begin your your journey to supplier diversity success.

Sustainability

VWR's sustainability commitment ensures Avantor's everyday actions generate positive impact on the environment and society. Learn more about the **Science for Goodness** (https://us.vwr.com/cms/about_vwr_sustainability) sustainability platform, goals, and impacts. Browse VWR's **environmentally preferable products** (https://us.vwr.com/cms/sustainability_environmentally_preferable_products). Learn about VWR's **recycling and waste diversion** (https://us.vwr.com/cms/sustainability_vwr_recycling_waste_diversion_solutions) solutions.
