Q: Review configuration, also Shipping will be totally on us. Distributer will not ship outside the US. As for availability, the P620 is a custom config, which means it will have an extended lead time. Only one supplier will take an order for less than 100pcs on a custom config for the P620.

Subject = Request to clarify (SMART IT PROS INC)**Private Thread**

Q: As confirmed by our Lenovo workstation specialist we cannot configure in the Arabic keyboard, Can we go with English US keyboard? Also optical disc drives have been removed from the configurator as well due to huge shortages for those parts. We can sell an external USB DVD-RW as a separate accessory though. Is this ok?"
