## Description

---

### Bid Opportunity:

Texas A&M University at Qatar is seeking bids for a **Rock Mechanics System with High Temperature and CO2 Injection Capabilities** as per the details and specifications herein.

Upon award, the equipment will be for delivery and installation on the Texas A&M University at Qatar campus located in Doha, Qatar.

### Terms and Conditions:

As a bidder responding to this invitation upon submission of your response, regardless of the format of your submission, you and the entity you represent are agreeing to the terms and conditions presented herein as well as the Texas A&M University terms and conditions located at [ITEMS BELOW APPLY TO AND BECOME A PART OF TERMS AND CONDITIONS OF BID \(tamu.edu\)](#)

### Submitting a Bid/RFP Response

Texas A&M, Procurement Services utilizes an E-commerce system, AggieBid, for all competitive solicitations and purchase orders. If you are not currently registered as a vendor within AggieBid, you may register on the following website:

<https://bids.sciquest.com/apps/Router/PublicEvent?CustomerOrg=TAMU>

Registering as a vendor will allow you to respond to Texas A&M solicitations electronically as well as view other bid opportunities.

If you have any questions about registrations, please contact us at 979-845-2325.

Texas A&M prefers that all responses to posted solicitations are submitted electronically via the AggieBid system.

### Alternate Response Methods:

Responses **not submitted electronically via the AggieBid system** will only be accepted via the following methods:

- Email - [tamuaggiebid@tamu.edu](mailto:tamuaggiebid@tamu.edu)
- Express Mail (FedEx, UPS, etc.)
- US Postal Service
- Hand Delivered

All invitation for bid documents not submitted electronically via the AggieBid system must be returned on Texas A&M's form.

### Address:

Texas A&M University Procurement Services 330 Agronomy Road College Station TX 77843-1477  
Fax - 979-845-3800

NOTE: If responding manually, please submit with your bid response a W9. This will allow us to enter your company into our bid system and include your response on the electronic tabulation.

## Detailed Technical Specifications:

The rock mechanics testing system that we are looking for should have the followings technical specifications and testing capabilities:

### Technical Specifications:

- A servo mechanical load frame
- Axial loads up to 250,000 lbf/ 1334 kN.
- Frame stiffness of 6 x 10<sup>6</sup> lbs/inch (1050 kN/mm)
- Confining pressure 15,000 psi
- Pore pressure up to 15,000 psi
- Accepts sample diameters up to 4" (L:D) 2:1
- Compressional (P), 2 orthogonal Shear (S1, S2), Acoustic Transducers Propagate at 1Mhz (It needs to measure the 45° P-wave on a vertical plug without the need to obtain a 45° plug and having to run additional testing)
- Temperature up to 150°C (300 °F)
- Real time data acquisition, process control software, graphical user interface analysis tools
- Permeability measurement (nD) using supercritical N<sub>2</sub>
- CO<sub>2</sub> Injection for CO<sub>2</sub>/Brine displacement (it needs to be equipped with CO<sub>2</sub> resistant seals that allow leak free CO<sub>2</sub> testing).

### Testing Capabilities:

- Triaxial test (with ultrasonic velocity measurement) up to 150°C.
- Multistage Triaxial test (with ultrasonic velocity measurement) up to 150°C.
- Uniaxial pore volume compressibility test
- Conventional Biot (Poroelastic Coefficient) test (with ultrasonic velocity measurement)
- Unconventional Biot (Poroelastic Coefficient) test (with ultrasonic velocity measurement)
- Creep test (with ultrasonic velocity measurement) up to 150°C using fluids including Supercritical CO<sub>2</sub> and N<sub>2</sub>.
- Hydrostatic Compression test (with ultrasonic velocity measurement)
- Azimuthal acoustic velocity measurement at stress
- Thermal Expansion test up to 150°C with ultrasonic velocity measurement.
- Thick wall cylinder tests (TWC, ATWC) (testing with integrated 10g load cell into the bottom endcap to detect onset sand production, and integrated stress unload to prevent sample failure)
- Direct Shear and Fracture Conductivity test
- Unconventional Permeability measurement
- CO<sub>2</sub>/Supercritical CO<sub>2</sub> measurements (performing supercritical CO<sub>2</sub> testing Drainage/Imbibition at elevated pressure (3000psi) and temperature (150°C))
- Resistivity measurement across the sample throughout testing

## Shipping Terms:

### Shipping Terms for Non-Doha vendors:

Incoterm - DAP (Delivery at Place), Vendor will deliver the goods DOOR-TO-DOOR to TAMUQ excluding Duties & Taxes and Including Custom Clearance. TAMUQ is responsible for Duties, Taxes, Legalization and Bayan.

## Shipping Terms for Doha vendors:

Incoterm - DDP (Delivery Duty Paid), Vendor will deliver the goods DOOR-TO-DOOR to TAMUQ including Duties, Taxes and Customs Clearance. No additional charge will to TAMUQ.

### For shipping terms DDP:

Qatar Customs have implemented an automated electronic clearance process called "Single Window" and all incoming shipment will be subject to BAYAN & Admin Charge. For shipping terms DDP, all customs chargers will be borne by the vendor.

TAMUQ will not be responsible for these charges with your shipping agent

For any shipping related concerns, please contact: [shippingreceiving@qatar.tamu.edu](mailto:shippingreceiving@qatar.tamu.edu)

**PLEASE NOTE (for reference only):** Qatar Customs requires ALL original shipping documents (depending on which shipment mode) as per below list. Please check and confirm with your shipping agent if these documents are required to be provided to their local clearing agent to clear the shipment from Qatar Customs:

- Original Certificate of Origin stamped from Chamber of Commerce
- Original Commercial Invoice stating each item (price/original made/quantity) stamped from Chamber of Commerce
- Packing List
- Airway Bill

All information MUST be the same on each of the above documents. If information is different, the shipment will not clear Qatar Customs.

### Payment Terms:

100% Net 30 upon receipt of goods, invoice, completion of installation, acceptance, whichever is later.

### Warranty:

Vendor shall submit manufacturer's warranty with equipment. Warranty is to begin upon the acceptance of equipment by Texas A&M University.

### Final Testing and Acceptance Criteria:

The complete installation shall be inspected by Texas A&M – Qatar to assure that all equipment is installed in a professional manner and in accordance with these specifications.

The final system testing and demonstration shall be performed after the installation and initial testing has been completed by vendor put prior to any use of the system. Vendor shall ensure that system meets or exceeds performance specifications as per manufacturer criteria. The vendor shall be responsible for properly performing all setup of equipment and all assembly.

All travel related expenses shall be included.

### Insurance Requirement:

The successful vendor will, at its sole cost and expense, acquire and maintain in effect during the period of the agreement, general and professional liability insurance and any employee compensation insurance as may be required by the laws of the country in which the successful vendor is organized.

### **Bidding as Specified:**

Bids for an alternate, equivalent item may be accepted. If offering an equivalent item, such item must meet or exceed the specifications herein.

If offering an alternate, bidders must provide:

- Manufacturer name and model number for product offered
- Technical/product literature
- Comprehensive documentation/diagrams for connections, settings, etc.

Failure to provide this documentation may disqualify your entire response.

Texas A&M – Qatar reserves the right to decide if items offered are equivalent to that specified. Texas A&M – Qatar’s decision shall be final.

Attach alternate specifications to Response Attachment before submitting bid response.

### **Cancellation:**

Upon award, any order is subject to cancellation without penalty, either in whole or in part if funds are not appropriated by the Texas Legislature or otherwise made available to the using agency.

Texas A&M University reserves the right to PO cancellation due to non-performance.

1  **Instructions To Supplier :**

Please acknowledge that the additional Best Value Criteria has been reviewed and is understood.

**Certification**

I certify that I have read and agree to the terms above.

**Supplier Must Also Upload a File:**

No

**Prerequisite Content:**

## **Award**

In accordance with Texas Education Code 51.9335, Texas A&M University shall make the award based on, but not limited to, the following best value criteria:

- The purchase price;
- The reputation of the vendor and of the vendor's goods or services;
- The quality of the vendor's goods or services;
- The extent to which the goods or services meet the institution's needs;
- The vendor's past relationship with the institution;
- The impact on the ability of the institution to comply with laws and rules relating to historically underutilized businesses and to the procurement of goods and services from persons with disabilities;
- The total long-term cost to the institution of acquiring the vendor's goods or services;
- Any other relevant factor that a private business entity would consider in selecting a vendor; and
- The use of material in construction or repair to real property that is not proprietary to a single vendor unless the institution provides written justification in the request for bids for use of the unique material specified.
- Conformance of vendor's VPAT with Texas A&M IT Accessibility guidelines

Other relevant factors deemed necessary to evaluate the offer and determine the best value for the University:

- Vendor's ability to meet the minimum specifications;
- Delivery requirement;
- Payment Terms offered;
- Shipping Terms;
- Training offered;
- The quality, availability and adaptability of equipment offered to required application.
- Insurance Requirements

By submitting a bid in response to this solicitation, bidder agrees to the selection and award process, and accepts Texas A&M University's judgment and decision of award. Texas A&M reserves the right to accept or reject any or all bids, waive informalities and technicalities, and accept the offer considered the most advantageous to the University. Texas A&M University reserves the right to make the decision as to what system best meets the minimum specifications and which system best suits the needs of the university. Texas A&M's decision is final.

2  **Instructions To Supplier :**

Acknowledge that you are able to meet the delivery requirements.

**Certification**

I certify that I have read and agree to the terms above.

**Supplier Must Also Upload a File:**

No

**Prerequisite Content:**

Upon award, item will be for use, delivery, installation and training to the Texas A&M University at Qatar campus located in Doha, Qatar.

### Group 1

- 
- 1.1 Vendor to provide detailed information about the system being bid, including features, capabilities, software, installation process, training provided, etcetera. Attach documentation here. ★  
File Upload
- 1.2 Delivery Terms: Quote delivery time, upon receipt of order. Delivery shall mean the arrival and completion of installation ★  
Text (Single Line)
- 1.3 Educational Discount: Provide any or all applicable discounts on the items listed. ★  
Text (Single Line)
- 1.4 Shipping Terms: Indicate incoterm offered - DAP, DPP, EXW, Etc. ★  
Text (Single Line)
- 1.5 Vendor Contact Information: Name, Phone and Email Address of the individual who will be servicing this account. ★  
Text (Multi-Line)
- 1.6 Warranty Terms: Indicate warranty terms offered: ★  
Text (Single Line)
- 1.7 Payment Terms: 100% Net 30 upon receipt of goods, invoice, completion of installation, acceptance, whichever is later. Is the vendor agreed to these payment terms? ★  
Text (Single Line)
- 1.8 Additional Charges - Shall be outlined here in: any additional charges not specified in this invitation for bid shall become the responsibility of the vendor. ★  
Text (Multi-Line)
- 1.9 Insurance Requirement: The successful vendor will, at its sole cost and expense, acquire and maintain in effect during the period of the agreement, general and professional liability insurance and any employee compensation insurance as may be required by the laws of the country in which the successful vendor is organized. Agreed? (Y/N) ★  
Yes/No
- 1.10 Installation as per attached "Installation Terms and Conditions" document. If quoting as specified, type "Agreed" in the required field. If quoting otherwise, indicate here-in. ★  
Text (Single Line)
