Subject = Option 2 (BEN E KEITH FOODS)

Public Thread

Q: We want to submit a proposal using option 2. However we cannot select that option online. The item tab will not allow us to proceed with submission with a dollar amount loaded. Since we do not know or have a list of products to be purchases we cannot input a price. We do want to attach our Cost plus category markups in the Supplier Attachments section, but are unsure how to resolve the Items tab requirement?

A: Hello, Please mark price as \$0.00 or \$0.01 - whichever it will allow, and comment that pricing is detailed in attachment.
