Description

Furnish and Installation of Gas Chromatography (GC) System on the campus of Texas A&M University at Qatar located in Doha, Qatar.

*****The successful vendor must provide installation services on the campus located in Doha, Qatar.*****

Attention Bidders:

Texas A&M, Procurement Services is transitioning to an E-commerce system for all invitation for bids and purchase orders. We are asking all vendors to take a few moments and register as one of our vendors. This will allow you to respond to our bid invitations electronically as well as view other bid opportunities.

Please visit the following website to register:

<https://bids.sciquest.com/apps/Router/PublicEvent?CustomerOrg=TAMU>

If you have any questions in reference to registrations, please contact us at 979-845-2325.

All invitation for bid documents not submitted electronically via the AggieBid system will only be accepted via the following methods:

- Email - tamuaggiebid@tamu.edu
- Express Mail (FedEx, UPS, etc.)
- US Postal Service
- Hand Delivered

All invitation for bid documents not submitted electronically via the AggieBid system must be returned on our form.

As a bidder responding to this invitation upon submission of your response, regardless of the format of your submission, you and the entity you represent are agreeing to the terms and conditions presented here as well as the TAMU terms and conditions located

at <http://purchasing.tamu.edu/media/123743/bidtamupdf>

Physical Address:

Texas A&M University
Procurement Services
Agronomy Road
College Station TX 77843-1477
Fax - 979-845-3800

NOTE: If responding manually, please submit with your bid response a W9. This will allow us to enter your company into our bid system and include your response on the electronic tabulation.

Stage Description

No description available.

1 ★ Instructions To Supplier :

Please acknowledge that additional terms and conditions have been reviewed

Prerequisite Content:

Note to Bidders

Warrant Terms:

Equipment shall have at a minimum a 12 month warranty on all parts and labor from date of installation. Bidders shall indicate warranty terms of product offered:

Product Offered:

Bidders shall provide descriptive literature and detailed specifications of product offered. Failure to do so may result in the disqualification of your response.

Award

The award shall be made based on the following "Best Value Criteria". Texas A&M reserves the right to consider the following and any other factor deemed necessary to evaluate the offer and determine the "Best Value" for the University.

- Vendor's ability to meet the minimum specifications;
- Delivery requirement;
- Experience/past experience with vendor;
- The quality, availability and adaptability of equipment offered to required application.
- Quality of performance of pervious services;
- Warranty Terms;
- The acquisition price.

Texas A&M University reserves the right to accept or reject any or all bids, to waive informalities and technicalities, to accept the offer considered the most advantageous to the University

Texas A&M University reserves the right to make the decision as to what system best meets the minimum specifications and which system best suits the needs of the university. Texas A&M's decision is final.

Certification

I certify that I have read and agree to the terms above.
