Patty - so many brands on this request, we asked the end-user to provide a sole source for each brand but refused to provide it, he is claiming we didn't ask for it before (I remember we did) so he wants us to send as ease. They clearly said they will only accept equivalent brands on the projector and projector screens but said he will provide sole source if you ask.. we already asked but obviously he didn't want to listen to us so please go ahead and bid out with "or equivalent" and let him "work" on the justification during the award. Thank you! -Marice!
