Award

In accordance with Texas Education Code 51.9335, Texas A&M University shall make the award based on, but not limited to, the following best value criteria:

- The purchase price;
- Delivery time/Lead time;
 - Shipping Terms
- Acceptance of Standard Payment Terms
- The reputation of the vendor and of the vendor's goods or services;
 - The quality of the vendor's goods or services;
- The extent to which the goods or services meet the institution's needs;
 - The vendor's past relationship with the institution;
- The impact on the ability of the institution to comply with laws and rules relating to historically underutilized businesses and to the procurement of goods and services from persons with disabilities;
 - The total long-term cost to the institution of acquiring the vendor's goods or services;
- Any other relevant factor that a private business entity would consider in selecting a vendor; and
- The use of material in construction or repair to real property that is not proprietary to a single vendor unless the institution provides written justification in the request for bids for use of the unique material specified.

Other relevant factors deemed necessary to evaluate the offer and determine the best value for the University:

- Vendor's ability to meet the minimum specifications;
- The quality, availability and adaptability of equipment offered to required application.
 - Warranty Terms;
 - Insurance Requirements

By submitting a bid in response to this solicitation, bidder agrees to the selection and award process, and accepts Texas A&M University's judgment and decision of award.

Texas A&M reserves the right to accept or reject any or all bids, waive informalities and technicalities, and accept the offer considered the most advantageous to the University.

Texas A&M reserves the right to make the decision as to the system, product or service best meets the minimum specifications and best suits the needs of the University. The decision by Texas A&M University is final.
