To the extent the Customer is determined to have any ownership interest in the System or Services, the Customer hereby assigns all rights, title, and interest in any such intellectual property to the Embark.

8. TERM

1. TERM

This Agreement will become effective as of the Effective Date and shall remain in effect from date of signature until 03/27/2021 or the duration of the last-to-expire of any accepted Service Orders. Accepted Service Orders shall be effective until the end date specified in such Service Order. This Agreement shall renew with written permission from the client along the same terms. Either party may terminate this Agreement thirty days after written notice of a party’s material breach of this Agreement if such breach is not cured within such thirty day period, except
with regard to a failure of a party to make any payment hereunder when due, which, in every case, shall be deemed a material breach and for which a party may terminate this Agreement ten days after written notice of such breach, if such breach is not cured within such ten day period. Termination of this Agreement will automatically terminate each Service Order then in effect. Following termination of this Agreement, (a) Embark shall promptly remove Customer Content from its website, (b) Customer shall immediately pay all accrued but Unpaid Fees and all other unpaid obligations, and (c) Sections 2.4 and 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, and 19 shall survive.

9. LIMITATION OF LIABILITY

In no event shall either party be liable for any special, incidental or consequential damages or lost profits arising out of or in connection with this Agreement. Embark’s liability to Customer in connection with this Agreement is limited to the fees paid by the Customer to Embark under the Agreement in the twelve months prior to the action giving rise to the liability.

10. INDEMNITY

Customer shall, to the extent permitted by the Constitution and laws of the State of Texas, indemnify Embark against all third party claims, losses, liabilities, damages, costs and expenses (including reasonable attorney’s fees) made against Customer or against Embark in connection with the System and all Services provided by Embark to Customer and by Embark on the behalf of Customer to third parties; so long as Embark (a) promptly notifies Customer of the relevant claim (provided further that any delay by Embark in notifying Customer shall not relieve Customer from any liability or obligation hereunder unless (and then solely to the extent) Customer is damaged thereby), (b) cooperates with Customer, at Customer’s expense in defending such claim, and (c) gives Customer the right to control the defense and settlement of any such claim, except that Customer shall not enter into any settlement that affects Embark’s rights or interest without Embark’s prior written approval. Embark may participate in the defense at its expense.

11. NON-SOLICITATION

Customer shall not solicit to hire nor attempt to hire or employ any personnel of Embark during the term of this Agreement and for period of twelve months thereafter.

12. CONFIDENTIALITY

Customer and Embark agree that all information, data, reports, interpretations, forecasts and records concerning a party to this Agreement, and/or its respective affiliates and subsidiaries, expressly or implicitly marked, identified or disclosed as “confidential”, all non-public information, together with analyses, compilations, studies or other documents, whether prepared by a party or its agents or attorneys, which contain or otherwise reflect such information (“Confidential Information”) is confidential and proprietary to the party providing the Confidential Information and no party shall use any Confidential Information provided by the other party for any purpose other than as permitted or required for performance under this
Agreement. In no event shall the Customer divulge to any third party the contents of this Agreement and any invoices/charge documentation that it receives from Embark without the written consent of Embark. Nothing provided herein shall prevent any party from disclosing information to the extent the information: (i) is or hereafter becomes part of the public domain through no fault of that party or its affiliates, branches, subsidiaries, employees, agents, or contractors; (ii) is independently developed by it without using the other party’s Confidential Information; (iii) is required by law, rule or regulation to be disclosed; or (iv) is already known to it prior to it being disclosed by the disclosing party. If either party hires another person to assist it in the performance of this Agreement, or assigns any portion of its rights or delegates any portion of its responsibilities or obligations under this Agreement to another person, the assigning or delegating party shall cause its assignee or delegate to be bound in writing to retain the confidentiality of the Confidential Information. Nothing in this agreement, however, would restrain Embark from developing or participating in the development of similar applications for any of its customers or otherwise. Both parties agree that any breach of this Section 12 would cause irreparable harm and that money damages would not be sufficient to remedy such harm, accordingly any party may enforce the terms of this Section 12 by seeking injunctive relief and shall not be requires to provide any undertaking to obtain such injunctive relief. Embark acknowledges that Customer is obligated to strictly comply with the Public Information Act, Chapter 552, Texas Government Code, in responding to any request for public information pertaining to this Agreement, as well as any other disclosure of information required by applicable Texas law.

(b) Upon Customer’s written request, Embark will provide specified public information exchanged or created under this Agreement that is not otherwise excepted from disclosure under Chapter 552, Texas Government Code, to Customer in a non-proprietary format acceptable to Customer. As used in this provision, “public information” has the meaning assigned Section 552.002, Texas Government Code, but only includes information to which Customer has a right of access.

(c) Embark acknowledges that Customer may be required to post a copy of the fully executed Agreement on its Internet website in compliance with Section 2261.253(a)(1), Texas Government Code.
13. GOVERNING LAW

This agreement shall be silent as to applicable law.

14. DISPUTE RESOLUTION

The dispute resolution process provided in Chapter 2260, Texas Government Code, and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, shall be used by Customer and Embark to attempt to resolve any claim for breach of contract made by Embark that cannot be resolved in the ordinary course of business. Embark shall submit written notice of a claim of breach of contract under this Chapter to the University Contracts Officer of Customer, who shall examine Embark's claim and any counterclaim and negotiate with Embark in an effort to resolve the claim.

15. ACCESS BY INDIVIDUALS WITH DISABILITIES

Embark represents and warrants that the electronic and information resources and all associated information, documentation, and support that it provides to Customer under this Agreement (collectively, the “EIRs”) comply with the applicable requirements set forth in Title 1, Chapter 213 of the Texas Administrative Code and Title 1, Chapter 206, §206.70 of the Texas Administrative Code (as authorized by Chapter 2054, Subchapter M of the Texas Government Code). Terms and conditions relating to these Limitations will only be binding on Customer to the extent permitted by the Constitution and the laws of the State of Texas. Neither the execution of this Agreement by Customer nor any other conduct, action, or inaction of any representative of Customer relating to this Agreement constitutes or is intended to constitute a waiver of Customer's or the state's sovereign immunity to suit.

17. SEVERABILITY; HEADINGS

If any provision herein is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force without being impaired or invalidated in any way. The parties agree to replace any invalid provision with a valid provision that most closely approximates the intent and economic effect of the invalid provision. Headings are for reference purposes only and in no way define, limit, construe or describe the scope or extent of such section.

18. FORCE MAJEURE
If performance hereunder (other than payment) is interfered with by any condition beyond a party’s reasonable control, the affected party shall be excused from such performance to the extent of such condition. Any party asserting Force Majeure as an excuse shall have the burden of proving that reasonable steps were taken (under the circumstances) to minimize delay or damages caused by foreseeable events, that all non-excused obligations were substantially fulfilled, and that the other party was timely notified of the likelihood or actual occurrence which would justify such an assertion, so that other prudent precautions could be contemplated.

19. **NOTICES**

20. **ENTIRE AGREEMENT; WAIVER**

This Agreement sets forth the entire understanding and Agreement of the parties, and supersedes any and all oral or written agreements or understandings between the parties, as to its subject matter. The entirety of Embark’s services and obligations are defined solely within this Agreement and Customer shall not rely upon any representations explicit, implicit, written, oral, visual, or in any other form including but not limited marketing materials, sales presentations, user manuals, etc. This Agreement shall control over any conflicting provisions of any invoice, acknowledgement, Service Order or other similar business form, and such conflicting provisions are expressly rejected. It may be changed only by a writing signed by both parties. The waiver of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach.
