7. Vendor indemnifies and holds harmless Texas A&M University for any actions, causes of action, or claim that may be alleged or asserted by any party arising out of utilization of Vendor's products and/or services.

11. Vendor hereby assigns to Owner any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States 15 U.S.C.A. Section 1, et seq. (1973), and which arise under the antitrust laws of the State of Texas, TEX. Bus. & Comm. Code Ann. Sec. 15.01, et seq. (1967).

12. Information, documentation, and other material in connection with this Agreement may be subject to public disclosure pursuant to Chapter 552 of the Texas Government Code (the "Public Information Act").

13. A child support obligor who is more than thirty (30) days delinquent in paying child support and a business entity which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under an agreement to provide property, materials, or services until all arrearages have been paid or the obligor is in compliance with a written repayment agreement or court order as to any existing delinquency. The Texas Family Code requires the following statement: "Under Section 231.006, Texas Family Code, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate."

14. The dispute resolution process provided in Chapter 2260, Texas Government Code, and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, shall be used by Owner and Vendor to attempt to resolve any claim for breach of contract made by Vendor that cannot be resolved in the ordinary course of business. Vendor shall submit written notice of a claim of breach of contract under this Chapter to the University Contracts Officer, Texas A&M University, who shall examine Vendor's claim and any counterclaim and negotiate with Vendor in an effort to resolve the claim.
15. Pursuant to Section 2252.903, *Texas Government Code*, Vendor agrees that any payments owing to Vendor under this Agreement may be applied directly toward certain debts or delinquencies that Vendor owes the State of Texas or any agency of the State of Texas regardless of when they arise, until such debts or delinquencies are paid in full.

16. If Vendor is a taxable entity subject to Texas Franchise Tax (Chapter 171, *Texas Tax Code*), then Vendor certifies that it is not currently delinquent in the payment of any franchise (margin) taxes or that Vendor is exempt from the payment of franchise (margin) taxes.

17. A state agency may not accept a bid or award a contract that includes proposed financial participation by a person who received compensation from the agency to participate in preparing the specifications or request for proposals on which the bid or contract is based. The *Texas Government Code* requires the following statement: “Under Section 2155.004, *Texas Government Code*, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.”

18. Vendor agrees that in accordance with Section 2155.441, *Texas Government Code*, in performing its duties and obligations under this Agreement, Vendor will purchase products and materials produced in Texas when such products and materials are available at a price and time comparable to products and materials produced outside of Texas.

19. Pursuant to Section 85.18, *Texas Education Code*, venue for any suit filed against Owner shall be in the county in which the primary office of the chief executive officer of Owner is located.

20. Performance by Owner under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “Legislature”). If the Legislature fails to appropriate or allot the necessary funds, Owner will issue written notice to Vendor and Owner may terminate this Agreement without further duty or obligation hereunder. Vendor acknowledges that appropriation of funds is beyond the control of Owner.

21. Vendor understands that acceptance of funds under this agreement constitutes acceptance of the authority of the Texas State Auditor’s Office or any successor agency (collectively, “Auditor”), to conduct an audit or investigation in connection with those funds pursuant to Section 51.9335(c), *Texas Education Code*. Vendor agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation, providing all records requested. Vendor will include this provision in all contracts with permitted subvendors.

22. By executing and/or accepting this Agreement, Vendor and each person signing on behalf of Vendor certifies, and in the case of a sole proprietorship, partnership or corporation, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of their knowledge and belief, no member of The Texas A&M University System (TAMUS) or TAMUS Board of Regents, nor any employee, or person, whose salary is payable in whole or in part TAMU or TAMUS, has direct or indirect financial interest in the award of this Agreement, or in the services to which this Agreement relates, or in any of the profits, real or potential, thereof.

Vendor shall assess its own risks and if it deems appropriate and/or prudent, maintain higher limits and/or broader coverage. Vendor is not relieved of any liability or other obligations assumed pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types. 6.0 WARRANTY:

6.1 Contractor's General Warranty and Guarantee. Contractor warrants to the Owner that all Work is executed in accordance with the Contract, complete in all parts and in accordance with approved practices and customs, and of the best finish and workmanship. The Contractor further warrants that unless otherwise specified, all materials and equipment incorporated in the Work under the Contract are new. The Owner may, at its option, agree in writing to waive any failure of the Work to conform to the Contract, and to accept a reduction in the Contract Sum for the cost of repair or diminution in value of the Work by reason of such defect. Absent such a written agreement, the Contractor's obligation to perform and complete the Work in accordance with the Contract Documents is absolute and is not waived by any inspection or observation by the Owner, A/E or others, by making any progress payment or final payment, by the use or occupancy of the Work or any portion thereof by the Owner, at any time, or by any repair or correction of such defect made by the Owner.

6.2 Warranty Period. Except as may be otherwise specified or agreed, the Contractor shall repair all defects in materials, equipment, or workmanship appearing within one year from the date of Substantial Completion of the Work. If Substantial Completion occurs by phase, the warranty period for that particular Work begins on the date of such occurrence, or as otherwise stipulated on the Certificate of Substantial Completion for the particular Work.

6.3 Limits on Warranty. Contractor's warranty and guarantee hereunder excludes defects or damage caused by:

6.3.1 Modification or improper maintenance or operation by persons other than Contractor, Subcontractors, or any other individual or entity for whom Contractor is responsible, unless Owner is compelled to undertake maintenance or operation due to the neglect of the Contractor.

6.3.2 Normal wear and tear under normal usage after acceptance of the Work by the Owner.

6.4 Events Not Affecting Warranty. Contractor's obligation to perform and complete the Work in a good and workmanlike manner in accordance with the Contract Documents is
absolute. None of the following will constitute an acceptance of Work that is not in accordance with the Contract Documents or a release of Contractor's obligation to perform the Work in accordance with the Contract Documents:

6.4.1 Observations by Owner and/or A/E;
6.4.2 Recommendation to pay any progress or final payment by A/E;
6.4.3 The issuance of a Certificate of Substantial Completion or any payment by Owner to Contractor under the Contract Documents;
6.4.4 Use or occupancy of the Work or any part thereof by Owner;
6.4.5 Any acceptance by Owner or any failure to do so;
6.4.6 Any review of a Shop Drawing or Sample submittal;
6.4.7 or any inspection, test or approval by others.

6.5 Separate Warranties. If a particular piece of equipment or component of the Work for which the Contract requires a separate warranty is placed in continuous service before Substantial Completion, the Warranty Period for that equipment or component will not begin until Substantial Completion, regardless of any warranty agreements in place between suppliers and/or Subcontractors and the Contractor. The ODR will certify the date of service commencement in the Certificate of Substantial Completion.

6.5.1 In addition to the Contractor's warranty and duty to repair, the Contractor expressly assumes all warranty obligations required under the Contract for specific building components, systems and equipment.
6.5.2 The Contractor may satisfy any such obligation by obtaining and assigning to the Owner a complying warranty from a manufacturer, supplier, or Subcontractor. Where an assigned warranty is tendered and accepted by the Owner which does not fully comply with the requirements of the Contract, the Contractor remains liable to the Owner on all elements of the required warranty not provided by the assigned warranty.

6.6 Correction of Defects. Upon receipt of written notice from the Owner, or any agent of the Owner designated as responsible for management of the Warranty Period, of the discovery of a defect, the Contractor shall promptly remedy the defect(s), and provide written notice to the Owner and designated agent indicating action taken. In case of emergency where delay would cause serious risk of loss or damage to the Owner, or if the Contractor fails to remedy within 30 days, or within another period agreed to in writing, the Owner may correct the defect and be reimbursed the cost of remedying the defect from the Contractor or its Surety.

7.0 PREVAILING WAGE:

7.1 The Contractor will be required to pay not less than the wage scale of the various classes of labor as shown on the attached (current) Texas A&M University System prevailing wage schedule for Brazos County.

7.2 The specified rates are minimum rates only and Texas A&M will not consider any claims for additional compensation made by any Contractor or Subcontractor(s) because of payment by the Contractor or Subcontractor(s) of any wage rates in excess of the applicable
minimum rates contained in the Schedule. Reference APPENDIX E – Prevailing Wage
Schedule for Brazos County.

University System, Texas A&M and the Department of Procurement Services to ensure
equal opportunity for Historically Underutilized Businesses (HUBs) in prime contracts,
subcontracts and purchasing transactions. Texas A&M initiatives and State law mandate
dictate that the Department of Procurement Services assist our prime contractors and core
suppliers to achieve these ends through race, ethnic, and gender-neutral means. The goal of
the HUB Subcontracting Plan (HSP) is to promote full and equal business opportunity for
all businesses in Texas A&M contracting and purchasing.

8.2 Attached you will find The State of Texas HUB Subcontracting Plan (HSP). Failure to
comply with the documentation requirements outlined in the attached HSP will result in
Texas A&M rejecting your bid, proposal, or offer as a material failure to comply with the
advertised specifications. Reference APPENDIX D – HUB Subcontracting Plan. The
HSP Checklist sheet is included.
