information you wish to receive.
* The latest technology from IBM ensures that your IT environment is responsive, reliable, and ready for growth and change.

With IBM Technical Support you get:
* Cross-platform software technical support around the clock and around the world.
* Online technical support including enhanced self-help and search capabilities.
* Voice support for new deployments, migrations, and Incident-related questions.
* Fast problem resolution by phone for all "Severity 1" situations 24 hours a day, seven days a week and you decide which issues qualify as "Severity 1".

IBM does not permit "partial" Subscription and Support; as such, all quantities of each of the IBM Passport Advantage products running in this environment should be renewed.

As IBM's largest software reseller, Sirius is eager to help your organization optimize your business with the help of IBM Software. We have hundreds of engineers holding thousands of certifications, who can help you get the most out of your current IBM Software or architect new, game-changing solutions for your business using IBM's world-class software stack. For more information on IBM Software Solutions please contact your Sirius Sales Executive.

Please review the enclosed IBM Software quotation and let us know if you have any questions. We recommend that you purchase the Subscription & Support prior to the quotation expiration date in order to provide optimal coverage for your investment. Thank you for giving Sirius Computer Solutions the opportunity to help optimize your business with IBM Software.

This Proposal is subject to the terms and conditions of the above referenced Agreement(s). Acceptance of this Proposal by an authorized representative of TEXAS A & M UNIVERSITY will be deemed the equivalent of a Client Purchase Order, which will authorize Sirius to order the Products and Services listed in this Proposal.
