6.4.7 or any inspection, test or approval by others.

6.5 Separate Warranties. If a particular piece of equipment or component of the Work for which the Contract requires a separate warranty is placed in continuous service before Substantial Completion, the Warranty Period for that equipment or component will not begin until Substantial Completion, regardless of any warranty agreements in place between suppliers and/or Subcontractors and the Contractor. The ODR will certify the date of service commencement in the Certificate of Substantial Completion.

6.5.1 In addition to the Contractor’s warranty and duty to repair, the Contractor expressly assumes all warranty obligations required under the Contract for specific building components, systems and equipment.

6.5.2 The Contractor may satisfy any such obligation by obtaining and assigning to the Owner a complying warranty from a manufacturer, supplier, or Subcontractor. Where an assigned warranty is tendered and accepted by the Owner which does not fully comply with the requirements of the Contract, the Contractor remains liable to the Owner on all elements of the required warranty not provided by the assigned warranty.

6.6 Correction of Defects. Upon receipt of written notice from the Owner, or any agent of the Owner designated as responsible for management of the Warranty Period, of the discovery of a defect, the Contractor shall promptly remedy the defect(s), and provide written notice to the Owner and designated agent indicating action taken. In case of emergency where delay would cause serious risk of loss or damage to the Owner, or if the Contractor fails to remedy within 30 days, or within another period agreed to in writing, the Owner may correct the defect and be reimbursed the cost of remedying the defect from the Contractor or its Surety.

7.0 PREVAILING WAGE:

7.1 The Contractor will be required to pay not less than the wage scale of the various classes of labor as shown on the attached (current) Texas A&M University System prevailing wage schedule for Brazos County.

7.2 The specified rates are minimum rates only and Texas A&M will not consider any claims for additional compensation made by any Contractor or Subcontractor(s) because of payment by the Contractor or Subcontractor(s) of any wage rates in excess of the applicable minimum rates contained in the Schedule. Reference APPENDIX D – Prevailing Wage Schedule for Brazos County.

8.0 HISTORICALLY UNDERUTILIZED BUSINESSES

8.1 It is the policy of the State of Texas, Texas Procurement and Support Services, Texas A&M
University System, Texas A&M and the Department of Procurement Services to ensure equal opportunity for Historically Underutilized Businesses (HUBs) in prime contracts, subcontracts and purchasing transactions.
