The term of this Agreement shall be from 9/01/2018 to 8/31/2019 ("Agreement Term"). Grantee must expend all funds by 8/31/2019.

Section 3.0 Purpose and Project Description

Pursuant to Sections 61.501-61.506 of the Texas Education Code, the Coordinating Board shall disburse, through the designated program director, appropriated trusteed funds to approved licensed hospitals, medical schools, or non-profit corporations to operate and maintain family medicine residency programs in Texas. These funds shall be used to educate and train residents in accredited family medicine programs and thereby encourage these residents to locate their practices in underserved urban and rural areas of the state, which may ultimately lead to improved medical care for citizens in underserved areas of the state.

Grantee shall carry out the following project ("Project" or "Agreement Project") during the Agreement Term:

For the purposes expressed herein, the Coordinating Board has approved Grantee to receive an Operational Grant for the Fiscal Year ending August 31, 2019. The grant amount is based on the residency program director's certification to the Coordinating Board that, as of September 1, 2018, Twenty Nine (29) full-time family medicine residents were physically present at the residency program and contractually obligated to train in the program in Fiscal Year 2019 for a minimum of six months. Funding provided for residents training less than six months at the residency program will be returned to the Coordinating Board or reduced from future payments.
Grantee agrees to the following:

3.1 Grantee shall consult and adhere to the *Family Medicine Residency Program Guidelines for Funding Operational and Optional Rotation Programs* (“Guidelines”), incorporated herein as Appendix A.

3.2 Grantee shall use these funds only for the purpose of educating and training family medicine residents according to the most current iteration of the Guidelines.

3.3 Grantee shall offer their residents the option of participating in a rural or public health rotation at an approved site that is mutually agreed upon and will encourage residents to establish their practices in Texas with special encouragement toward rural and urban medically underserved areas. State general revenue funding for rural and public health participants is limited and not guaranteed by the Coordinating Board.

3.4 Grantee shall actively seek local support funds for the residency program and shall use these funds to supplement state funds allocated to the program. Grantee shall document such local support funds in its reports to THECB as referenced in Guidelines Sections II, IV, and V.

3.5 Grantee shall establish a separate fund into which will be deposited all monies disbursed under this Agreement. Grantee shall account for the receipt and disbursement of all monies by generally accepted accounting practices, and in accordance, as applicable, with Texas’ Uniform Grant Management Standards.

3.6 Grantee shall maintain a current list of all equipment purchased with Coordinating Board funds in this and all other years of program operation, a copy of which will be submitted to the Coordinating Board each year with the Annual Financial Report. Instructions for equipment disposal are provided in the Guidelines Section IV.A.2.

3.7 Grantee shall seek approval from the THECB, prior to transferring programmatic or fiscal ownership to another entity.

3.8 Reporting Requirements

By December 31, 2018, the Grantee shall provide the following:

3.8.1 Financial Reports

3.8.1.1 A completed Annual Financial Report delineating the program’s Fiscal Year 2018 actual expenditures by object of expense and documenting the unexpended balance of THECB funds from Fiscal Year 2018;

3.8.1.2 An internal or independent auditor’s report relating to the funds for the program’s previous fiscal year; and

3.8.1.3 An inventory list of all purchases made with THECB funds.

3.8.2 An Annual Written Report providing information on the operation of the program in a format specified by THECB.

Medical school-based and affiliated residency programs may use the sponsoring or affiliated institution’s internal auditor to conduct the audit engagement.
Independent, unaffiliated community-based residency programs must use an independent auditor to conduct the audit engagement.

If, due to the ending date of Grantee’s fiscal year, the auditor’s report is not available for submission to THECB by December 31, 2018, the program must request an extension of the submission date from THECB. The request must be made in writing to FamilyPractice@THECB.state.tx.us no later than December 31, 2018.

If one or more of the items listed above is not submitted on a timely basis, or granted an extension, or is not accepted by THECB, THECB reserves the right to require that monies already disbursed to Grantee be returned.

In the event that THECB does not provide funding to Grantee for the next Fiscal Year, Grantee’s obligation to provide a Financial Report and an Annual Written Report relating to Fiscal Year 2019 grant funding shall continue notwithstanding and shall be due on December 31, 2019.

3.9 To be considered for future funding, upon request by THECB and on a date in spring 2019 to be specified by THECB, the Grantee shall provide a completed Operational Grant Application, which includes a Budget Summary Grid, Chief Executive Officer Statement of Support, and a current letter of accreditation from either the Accreditation Council on Graduate Medical Education or the American Osteopathic Association. Grantee shall consult with Coordinating Board staff regarding the use of state funds in this program.

Payments under this Agreement are subject to the availability of appropriated funds. Submission of the Annual Financial Report shall constitute Grantee’s certification that the Project and other obligations under the Agreement have been performed in accordance with this Agreement.

To the extent there is any advancement of funds, this is necessary to enable the Grantee to fully perform its obligations.

Section 5.0 Certain Certifications

Grantee further certifies the following:

Grantee must make full disclosure to THECB prior to entering into this Agreement if it intends to subcontract with a former employee/retiree of THECB if such former employee/retiree will participate in the Project in any way. Any former employee/retiree selected by the Grantee for subcontracting shall not perform work on the Project until prior written approval is received from THECB.

The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least $1 million.

**Section 6.0  Terms and Conditions**

**6.01 Termination:** As consistent with applicable law, THECB may, by written notice to Grantee, terminate this Agreement, in whole or in part. For example, THECB may terminate if: (a) THECB is not reasonably satisfied with Grantee’s Project; (b) default or abandonment by Grantee occurs; or (c) Grantee fails to comply fully with any term or condition of this Agreement, through no material fault of THECB. If Grantee fails or refuses to perform its obligations under this Agreement, THECB may exercise any and all rights as may be available to it by law or in equity.

**6.01.1 Non-Acquisition:** As consistent with applicable law, this Agreement may be terminated immediately if funds allocated to THECB should become reduced, depleted, or otherwise unavailable (including, but not limited to, lack of appropriations, legislative or executive budget cuts, amendment of the Appropriations Act, state agency consolidations, or any other disruptions of current appropriations) during the Agreement Term and to the extent that THECB is unable to obtain additional funds for such purpose.

**6.01.2 Effect of Termination:** As consistent with applicable law, upon any termination, all indemnities, including without limitation those set forth in this Agreement, as well as Agreement provisions regarding confidentiality, records retention, right to audit, and dispute resolution, shall survive the termination of this Agreement for any reason whatsoever and shall remain in full force and effect. In the event of any termination, Grantee shall, unless otherwise mutually agreed upon in writing, cease all Project work immediately upon the effective date of termination, except such Project Work that THECB deems are necessary to wind-up in a cost-effective manner. THECB shall be liable to Grantee for that portion of the Project work authorized by THECB and which have been completed prior to the effective date of termination, provided that THECB shall not be liable for any work performed that is not acceptable to THECB and/or does not meet Agreement requirements. In the event of termination, THECB reserves the right to negotiate another award if it is in the state’s best interest.

**6.02 Amendment:** This Agreement may be modified only by written amendment executed by the Parties hereto. Fees and expenses included as part of an amendment must be pre-approved by THECB to be eligible for payment and reimbursement.
6.03  **Indemnification (Not applicable to state agencies):** To the extent allowed by law, Grantee shall defend, indemnify, and hold harmless the State of Texas, its officers, and employees, and THECB, its officers, and employees and contractors, from and against all claims, actions, suits, demands, proceedings, costs, damages, and liabilities, including without limitation attorneys’ fees and court costs, arising out of, connected with, or resulting from any negligent acts or omissions of Grantee or any agent, employee, subcontractor, or supplier of Grantee in the execution or performance of this Agreement. Grantee shall coordinate its defense with the Texas Attorney General as requested by THECB.

This subsection is not intended to and shall not be construed to require Grantee to indemnify or hold harmless the State of Texas or THECB for any claims or liabilities resulting solely from the negligent acts or omissions of THECB or its employees.

6.04  **Intellectual Property Indemnification (Not applicable to state agencies):** Additionally, if Grantee requires or desires to use any design, trademark, device, material, software, or process covered by letters of patent or copyright and which is selected by Grantee, Grantee, to the extent allowed by law, shall indemnify, defend and hold harmless the State of Texas, THECB, as well as officers, agents, and employees of THECB, from any liability, for any and all claims, demands, suits or actions brought by any third party, including any subcontractors of Grantee, and related fees (including reasonable attorney’s fees) based on any claims for infringement by reason of the use of any such trademark, copyrighted material, or patented design, device, material, software, or process in connection with the Project agreed to be performed and shall indemnify (to the extent allowed by law) and/or reimburse the State of Texas, THECB, as well as officers, agents, and employees of THECB, from any costs, fees (including reasonable attorney’s fees), expenses, royalties or damages which the State of Texas, THECB, as well as officers, agents, and employees of THECB may be obligated to pay by reason of such infringement at any time during the performance of or after completion of this Agreement. Grantee shall pay all reasonable costs of the State’s and THECB’s legal counsel and shall also pay costs of multiple legal counsels, if required to avoid conflicts of interest. Grantee represents and warrants that it has determined what licenses, patents and permits are required under this Agreement and has lawfully acquired all such licenses, patents, and permits. If THECB’s use of the software becomes subject to a claim, or is likely to become subject to a claim in the sole opinion of THECB, Grantee shall, at its sole expense (1) procure for THECB the right to continue using such software under the terms of this Agreement or (2) replace or modify the software so that it is non-infringing.

6.05  **Sovereign Immunity:** The Parties stipulate and agree that no provision of, or any part of this Agreement between THECB and Grantee, or any subsequent change order, amendment, or other Agreement modification shall be construed: (1) as a waiver of the doctrine of sovereign immunity or immunity from suit as provided for in the Texas Constitution and the Laws of the State of Texas; (2) to extend liability to THECB or to Grantee (if Grantee is another Texas state agency) beyond such liability provided for in the Texas Constitution and the Laws of the State of Texas; or (3) as a waiver of any immunity provided by the 11th Amendment or any other provision of the United States Constitution or any immunity recognized by the Courts and the laws of the United States.

6.06  **Assignment, Delegation, or Subcontracting:** Unless as otherwise provided for in the Agreement, no contractual rights, interest, or obligation shall be assigned, delegated, or subcontracted by Grantee without prior written approval of THECB. No assignment, delegation, or subcontract approved by THECB shall relieve Grantee of any obligation or responsibility under this Agreement. It is THECB’s intent that to the extent subcontracting is approved by THECB, Grantee make a good faith effort to subcontract with Historically Underutilized Business(es) (HUB) during the performance of this Agreement. The goal of the HUB program is to promote full and equal business opportunities for all businesses contracting with the State of Texas.
6.07 **Right to Audit; Records Retention:** Grantee understands that acceptance of funds under this Agreement, or indirectly through a subcontract under this Agreement, acts as acceptance of the authority of the State Auditor's office, THECB or any successor agency, as well as any external auditors selected by the State Auditor's office, THECB or any auditors selected by the United States (collectively referred to as "Audit Entities"), to conduct an audit or investigation in connection with those funds. Grantee further agrees to cooperate fully with the above parties in the conduct of the audit or investigation, including promptly providing all records requested. Grantee will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Grantee and the requirements to cooperate is included in any subcontract if awarded.

Grantee shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Grantee in connection with the Agreement Project. These records and accounts (which includes all receipts of expenses incurred by Grantee) shall be retained by Grantee and made available for inspecting, monitoring, programmatic or financial auditing, or evaluation by THECB and by others authorized by law or regulation to do so for a period of not less than seven (7) years from the date of completion of the Agreement Project or the date of the receipt by THECB of Grantee’s final claim for payment or final expenditure report or until a resolution of all billing questions in connection with this Agreement, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed. Grantee shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related to the Project provided in this Agreement. Grantee and any subcontractors shall provide any Audit Entities with any information the entity deems relevant to any monitoring, investigation, evaluation, or audit.

Grantee’s failure to comply with this subsection (Right to Audit; Records Retention) shall constitute a material breach of this Agreement and shall authorize THECB and the State of Texas to immediately assess appropriate damages for such failure. THECB reserves the right to require the reimbursement of any over-payments determined as a result of any audit or inspection of records on work performed under this Agreement. Grantee shall reimburse THECB for any over-payments within thirty (30) calendar days of receipt of THECB’s written notice.

6.08 **Family Code Applicability (Not applicable to state agencies or non-profits):** By signing this Agreement, Grantee certifies that under Section 231.006, Family Code, Grantee is not ineligible to receive payment under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld or recouped if this certification is inaccurate. If this certification is shown to be false, Grantee is liable to THECB for attorneys' fees, the costs necessary to complete the Agreement, including the cost of advertising and awarding a second contract, and any other damages provided by law or Agreement.
