Person signing bid should show title or authority to bind his or her firm in a contract. Firm name should appear on each page of a bid, in the block provided in the upper right hand corner. TEXAS A&M ID Number is the taxpayer number assigned and used by the Comptroller of Public Accounts of Texas. Enter this number in the space provided on page 1 (upper right) if it is not printed. If this number is not known, complete the following: 1. Enter your Federal Employer Identification Number. 2. Sole owner should also enter Social Security Number.

1.15 Inquiries pertaining to IFBs must include the IFB number and opening date.

2. SPECIFICATIONS

Any catalogue, brand name or manufacturer's reference used in the Invitation for Bid is descriptive only (not restrictive), and is used to indicate type and quality desired. Bids on brands of like nature and quality will be considered unless otherwise specified. If bidding on other than reference, bid should show manufacturer, brand or trade name, and other description of the product offered. If other than brand(s) specified is offered, illustrations and complete description of product offered are requested to be made part of the bid. If bidder takes an exception to specifications or reference data in his or her bid, bidder will be required to furnish brand names, numbers, etc., as specified in the Invitation for Bid (IFB).

4. DELIVERY

4.1 Bid should show number of days required to place material in receiving agency's designated location under normal conditions. Failure to state delivery time obligates SUPPLIER to complete delivery in 14 calendar days. Unrealistically short or long delivery promises may cause bid to be disregarded.

4.2 If undelays in furnishing, SUPPLIER shall give written notice to TEXAS A&M. TEXAS A&M has the right to extend delivery date if reasons appear valid. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes TEXAS A&M to purchase supplies elsewhere and charge full increase, if any, in cost and handling to defaulting SUPPLIER.

4.3 No substitutions or cancellation permitted without written approval of the TEXAS A&M DEPARTMENT OF PROCUREMENT SERVICES.

4.4 Delivery shall be made during normal working hours only, unless prior approval for late delivery has been obtained from TEXAS A&M.

Authorized TEXAS A&M personnel will have access to any SUPPLIER'S place of business for the purpose of inspecting merchandise. Tests shall be performed on samples submitted with the bid or on samples taken from regular shipment. In the event products tested fail to meet or exceed all conditions and requirements of the specifications, the cost of the sample used and the cost of the testing shall be borne by the SUPPLIER. Goods which have been delivered and rejected in whole or in part may, at TEXAS A&M's option, be returned to the SUPPLIER or held for disposition at SUPPLIER'S risk and expense. Latent defects may result in revocation of acceptance.

6. BIDDER AFFIRMATION - Signing this bid with a false statement is a material breach of contract which shall void the submitted bid or any resulting contract and the bidder shall be removed from all bid lists. By signature hereon affixed, the bidder hereby certifies that:

6.1 The bidder has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted bid.

6.6 The SUPPLIER shall defend, indemnify, and hold harmless the State of Texas, all of its officers, agents and employees from and against all claims, actions, suits, demands, proceedings or other liabilities, from any acts or omissions of SUPPLIER or any agent, employee, subcontractor, or SUPPLIER of SUPPLIER in the execution or performance of this purchase order.

6.10 Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Contractor and the requirement to cooperate is included in any subcontract awards.

7. CONFLICTING TERMS & CONDITIONS- Any terms and conditions attached to a bid will not be considered unless the bidder specifically refers to them on the front of this bid form.

12. PUBLIC INFORMATION ACT (a) [SUPPLIER] acknowledges that TEXAS A&M University (TEXAS A&M) is obligated to strictly comply with the Public Information Act, Chapter 552, Texas Government Code, in replying to any request for public information pertaining to this Agreement, as well as any other disclosure of information required by applicable Texas law.

(b) Upon TEXAS A&M’s written request, [SUPPLIER] will provide specified public information exchanged or created under this Agreement that is not otherwise excepted from disclosure under chapter 552, Texas Government Code, to TEXAS A&M in a non-proprietary format acceptable to TEXAS A&M. As used in this provision, “public information” has the meaning assigned by Section 552.002, Texas Government Code, but only includes information to which TEXAS A&M has a right of access.

(a) A child support obligor who is more than 30 days delinquent in paying child support and a business entity which is the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to:

1. receive payments from state funds under a contract to provide property, materials, or services;
2. receive a state-funded grant or loan.

(b) A child support obligor who is more than six months delinquent in paying child support is not eligible to receive student financial assistance paid directly to the obligor by the comptroller. This subsection does not apply to an obligor who submits to the comptroller:
1. a sworn affidavit from the obligor or obligees stating that the obligor is current on the obligor's child support payments; and
2. a written statement from the obligor that the obligor has made a request to the Title IV-D agency to correct the errors in the obligor's payment record.

(c) A child support obligor or business entity ineligible to receive payments under Subsection (a) or a child support obligor ineligible to receive payments under Subsection (a-1) remains ineligible until:
1. all arrearages have been paid;
2. the obligor is in compliance with a written repayment agreement or court order as to any existing delinquency;
3. the court of continuing jurisdiction over the child support order has granted the obligor an exemption from Subsection (a) as part of a court-supervised effort to improve earnings and child support payments.

(d) A bid or application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application.

This section does not impose a duty on the Title IV-D agency to collect information to send to the comptroller to withhold a payment to a business entity. The Title IV-D agency and other affected agencies are encouraged to develop a system by which the Title IV-D agency may identify a business entity that is ineligible to receive a state payment under Subsection (a) and to ensure that a state payment to the entity is not made. The system should be implemented using existing funds and only if the Title IV-D agency, comptroller, and other affected agencies determine that it will be cost-effective.

(i) This section does not apply to a contract between governmental entities.

(j) The Title IV-D agency may adopt rules or prescribe forms to implement any provision of this section.

(k) A state agency may accept a bid that does not include the information required under Subsection (c) if the state agency collects the information before the contract, grant, or loan is executed.
