This project shall be considered a “turnkey”
project that includes all aspects of the
installation.

Final Testing and Acceptance Criteria:
The completed installation shall be inspected
by Texas A&M - Qatar to assure that all
equipment is installed in a professional
manner and in accordance with these
specifications.
The final system testing and demonstration
shall be performed after the installation
and initial testing has been completed by
vendor but prior to any use of the system.
Vendor shall ensure that system meets or
exceed performance specifications as per
manufacturer criteria. The vendor shall be
responsible for properly performing all setup
of equipment and all assembly.

Insurance Requirement
The successful vendor will, at its sole cost
and expense, acquire and maintain in effect
during the period of the Agreement, general
and professional liability insurance and any
employee compensation insurance as may be
required by the laws of the country in
which the successful vendor is organized.

Bidders shall submit a copy of insurance
certificate with bid response for review
