Furnish and Installation of Sod for Ellis Field, soccer facility located on the campus in College Station, TX. The project shall begin sometime in May, 2017.

Specifications:
- Latitude 36 Bermuda grass is required - no substitutions on grass will be acceptable.
- Total area of grass needed: 88,372 ft.2
- The sod shall be cut 48 inches wide with two 24" cutting heads and shall be 90 feet long for a total of 360 sq ft big rolls.
- Sod shall be washed clean of any growing medium
- After completion of the installation, Texas A&M will take over the field for the grow in.

Installation
The requested product shall be supplied as a complete operational system, set-up and ready for use. This project shall be considered a “turnkey” project that includes all aspects of the installation.

Final Testing and Acceptance Criteria:
The completed installation shall be inspected by Texas A&M to assure that all product is installed in a professional manner, and in accordance with manufacture specifications.

Insurance Requirement:
It is understood that all equipment and material supplied by the vendor shall remain their property until such time as accepted or paid for by TAMU. The vendor shall protect them with appropriate insurance against theft or other loss or damage.

The successful vendor will be required to provide proof of insurance in the amounts indicated in Attachment A, with Texas A&M
University listed as an additional insured party. Upon award, an updated COI will be required and it shall be the responsibility of the vendor to maintain a current certificate on file with Procurement Services during the term of the agreement.

Submit Insurance Certificate to the following:
