Offer Learning Cloud, App and Content for Students

Dear Dr Brandt,

Please find attached an offer for your licence bundle including optional items such as a white label Texas A&M iOS and Android app and hosting your own content on the system. This offer is valid until August 31st, 2018.

A reduction of 5% has been applied for the multi-year commitment & pre-pay, the further major advantage is that it implies the price remains flat for the contract period. For the app maintenance I have also included a reduced cost pre-pay option.

For questions, feel free to call me any time on +1 617 909 4402 or just send me an e-mail to stefan.wisbauer@lecturio.com.

Best regards,

Stefan Wisbauer
