Installation
The requested equipment is to be supplied as a complete operational system, set-up and ready for use. Any/all operational/maintenance manuals are to be provided at the time of shipping/installation.

This project shall be considered a "turnkey" project that includes all aspects of the installation.

Final Testing and Acceptance Criteria:

The completed installation shall be inspected by Texas A&M to assure that all equipment is installed in a professional manner, and in accordance with manufacture specifications.

The final system/product testing and demonstration shall be performed after the installation and initial testing has been completed by vendor but prior to any use of the system. Vendor shall ensure that system meets or exceeds performance specifications as per manufacture criteria. The vendor shall be responsible for properly performing all setup of equipment and all assembly.

Installation shall be performed by:

Manna Distributors
Houston, TX
Contact Name: Eric Briggs
Contact Number: 713-977-3318

Insurance Requirement:

It is understood that all equipment and material supplied by the vendor shall remain their property until such time as accepted or paid for by TAMU. The vendor shall protect them with appropriate insurance against theft or other loss or damage.

The successful vendor will be required to provide proof of insurance in the amounts indicated in Attachment A, with Texas A&M University listed as an additional insured party. Upon award, an updated COI will be required and it shall be the responsibility of the vendor to maintain a current certificate on file with Procurement Services during the term of the agreement.

Submit Insurance Certificate to the following:
